ABOUT ME

I'm a detail-oriented Data Analyst with hands-on experience in data wrangling, dashboard development, and deriving actionable insights. Proficient in Excel (VLOOKUP, PivotTables), SQL (joins, aggregations), Python, Power BI, and Tableau libraries like Pandas, NumPy, Seaborn, and Matplotlib. Skilled in data storytelling and stakeholder communication. I've completed real-world projects including hospital and Netflix data analysis, and I'm currently exploring Supply Chain and Stock Market dashboards.
